CREDIT CERTIFICATE

Total Micro Technologies (TMT) wishes to sell products and the company indicated below (Buyer) wishes to purchase said products and therefore to induce TMT to consider a credit terms account for purchases herewith applied for, Buyer acknowledges and agrees to the following: All invoices for such product purchases, are due and payable as specified on TMT's invoices. Further, Buyer agrees TMT shall be entitled to, and Buyer shall pay, a fee amounting to 1.5% of the outstanding balance on the Buyers credit account, or such other amount as is the maximum allowed by law, for each month, or portion thereof that any such outstanding balance remains unpaid. In the event that TMT incurs attorney's fees with or without the institution of court or arbitration proceedings in connection with TMT's attempts to collect any past due unpaid balances, Buyer agrees to pay reasonable attorney's fees and all court and arbitration costs in connection with any such collection attempts. Buyer also agrees to pay \$20 for every returned check issued by Buyer to TMT for any reason. In signing this document, Buyer also grants permission for credit information to be obtained by TMT from companies the Buyer has specified as well as credit reporting agencies. The signature below acts as a releasing authority to the companies and agencies approached for credit information by TMT. Buyer understands that TMT will keep this application whether or not this application is approved and that TMT will consider this application as a continuing statement of Buyer's financial condition until TMT is notified otherwise. Buyer expressly states that the information and statements in this application are true and complete, and that the undersigned is the Buyers representative authorized to bind Buyer.
